

# Data Use Agreement (Spike Sample)

---

This Data Use Agreement ("Agreement") is entered into between **Memorial Cancer Center** ("Institution") and **Opendelphi** ("Recipient Organization") for the research study titled **Spike — Phase 19 e-sig primitives validation**.

## 1. Purpose

Validates that the OSS primitive stack (signature\_pad + @signpdf/signpdf + @libpdf/core + node-forge) composes into a verifiable signed PDF.

## 2. Permitted Uses

This spike PDF is for technical validation only and carries no actual data-use authority.
